

### **Booking Fee Cosmetic Tattooing Terms & Conditions**

For ultimate client satisfaction, we set aside a substantial appointment time and a non-refundable deposit of \$100.00 will be taken to secure your booking this is why our free consultation appointment is highly recommended before booking your Cosmetic Tattooing Procedures, this deposit is required within 24 hours of making your booking, we unfortunately can't hold appointments for longer due to demand.

We understand that unforeseen situations do arise so if you need to reschedule please give as much notice as possible. If you need to cancel your appointment, a minimum of 3 business days is required otherwise your deposit will be forfeited.

A 4-8 week retouch after your initial tattooing treatment will be required for perfecting, if this appointment is not made within that time frame you will be charged accordingly to the annual retouch fees.

Thank you for your understanding
